## Hassle Free Purchasing

Do your current suppliers hand you a rulebook dictating lead times, minimum orders, fuel surcharges, and on and on? Then try Braden for hassle free purchasing (we don't have a rulebook). Call us today...identify a product from our catalog or, if it's not there, describe it and we'll go out and find it. Tell us when you want it and we'll go to work.

- **Same day shipping**

In Central New York, our trucks deliver from our warehouse near Utica. We'll get your supplies to you when you need them. Same or next day is possible when you're in a bind. Our Chicago warehouse ships same day UPS Ground and overnight is available.

- **Over 10,000 items in stock**

Easily find what you need from brands you know and trust. Check them out!

- **Large volume pricing with no minimum order**

Advantage pricing for small business... improve cash flow, order just what you need.

- **Save money... Improve efficiency**

No shipping surcharge... Outside sales staff continually brings you new ideas in supplies to improve your bottom line... Purchase Orders customized to your company's specs... Consignment and Delayed Billing options available (qualified customers only).

**"I don't have to figure on a long lead time with Braden. I order on Monday, supplies arrive on Tuesday. And their pricing is very competitive.**

**"Their sales representative scours the marketplace for items we can use... they bring ideas to help me do my job. Braden takes the worry out of what I do. I wish I had known about them where I worked before."**
